May 25, 2018

Dear Parents/Families,

This morning, the Derry Cooperative School District was notified by the Derry Police Department that they were involved in a search of the area surrounding Parkland Medical Center for a psychiatric patient who may pose a threat to others. As a precaution, the Police Department and Superintendent of Schools Office worked together to notify area schools to be vigilant and initiate a Stay in Place while the search was conducted. The person was located a short time later, and our office was notified that there was no further need for concern. Individual schools were then instructed that they could resume normal outdoor activity.

The safety and security of our students and staff continues to be our priority. As a School District, we are deeply appreciative of our partnership with the Derry Police and Fire Departments and their exceptional and timely communication.

We hope that you have a wonderful Memorial Day weekend with your families.

Sincerely,

Mary Ann Connors-Krikorian, Ed. D.
