

McKinney-Vento Donations

October 23-27, 2017

Dear Derry School District friends,

McKinney-Vento families are often in need of personal supplies, in addition to educational supplies. I am appealing to your generosity for donations of the following items:

- Shampoo/conditioner
- Soap: bar or liquid
- Toothpaste/toothbrushes
- Deodorant
- Any spare basic toiletries that you may have on hand, such as q-tips, band-aids, lotion, etc.
- Laundry detergent (if you could spare a few extra laundry pods, put them in a baggie and label them). Dryer sheets. Laundry bags/baskets
- Socks and mittens, various sizes/colors for boys and girls.
- Middle school aged girls could use personal hygiene products.

Alicia Triplett and I will come to your school to pick up the donations. If everyone pitches in 1 or 2 items, we could be set for the year!

Thank you in advance for your generous donations!
